Re: Emerald Service's Transfer Permit application.

Waste Treatment
& Disposal

Dear Mr. Wheeler,

In reference to Emerald Service's permit application for the transfer of used oil located at 650 West 500 South Salt Lake City, Utah. Emerald would like to add one change to the application. In section ten (10) of the application, I would like to make the following change to the last paragraph:

Automotive Fluids
Management

"All used oil will either be transported as off-specification used oil on a standard bill-of-lading to a location for treatment and recycling or tested and sold as on-specification used oil within or outside the state of Utah.

Construction
Services

All on-specification used oil will be sold according to the state of Utah's used oil fuel marketer standards as defined in R315-15-7."

Transportation
Services

Sincerely,
Emerald Services, Inc.
